Community Garden Grant Reporting Form

Ontario Horticultural Association Community Garden Grants

The Ontario Horticultural Association (OHA) encourages its member Societies, in good standing, to create or contribute to community gardens whether urban or rural. The OHA will award a grant of up to $500 to three (3) eligible Societies to assist with the funding of a new community garden or the upgrading of an existing community garden.

Reporting Requirements: Successful Community Garden Grant applicants will be required to submit itemized original receipts, this completed grant reporting form and photos to the Awards Coordinator for reimbursement before December 31st of the next year. For example, a grant awarded in 2019 must have its completed report with receipts and photos submitted by December 31st of 2020. Otherwise the OHA will assume that the Community Garden Grant has not been completed and the grant monies will be cancelled. **NO funds will be released without itemized receipts.**
