## ABOUT US

### MISSION STATEMENT

To encourage interest in Horticulture and related Environmental Stewardship initiatives, through sharing the theory and practice of gardening with our membership and the wider community.

### We Love Volunteers!

We are proud to offer a wonderful range of workshops, educational opportunities and events, but we can't do it without you! Our club is supported through volunteers, membership, grants, donations and fundraising.

### Membership

Welcome all! Whether you are brand new to gardening or have a well-seasoned green thumb, we invite you to join!
