

ABOUT US

Are you interested in gardening, plants, trees, dirt or just keeping busy while you are outside? We welcome new members! Please come to a meeting and then decide if you would like to join the London Fanshawe Horticultural Society.

Our membership includes all levels of gardeners: new homeowners, novice gardeners, energetic gardeners, professional horticulturalists, and even master gardeners. We welcome all gardeners!

Meetings are held once a month on the third Thursday of each month, except for July, August, and December. They usually consist of Society information, a garden information session, speaker presentation, door prizes and social time. We also organize garden walks of members' gardens and bus trips to nearby garden centres. Annual membership is \$15. If you have any questions, please email our membership director at londonfanshawehortsociety@gmail.com
