VISIT OUR GARDEN AT:

21 Main Street, Gananogue. Check out our Seed Library and other resources.

OUR SOCIETY

The Gananogue Horticultural Society aims to beautify this community by encouraging local residents to create their own gardens, by learning from educational speakers and workshops. Our Garden Tour, flower exhibitions and competitions give people ideas to develop their gardens.

We hold a plant sale each May to encourage affordable gardening. Volunteers maintain our Horticultural Park, which features many gardens, benches, a seed library and a picnic table, located at 21 Main St.

The Gananogue Trillium Award is presented for the most attractive, well-maintained and planned garden, as viewed from the street. Curb Appeal Awards are given out to attractive front gardens around town. Meetings are held on the

second Wednesday of the month, February to June and from September to November.

Our Society is member of the Ontario Horticultural Association and our Horticultural Park is featured in the 1000 Islands Rideau Canal Garden Adventures.
