

**OHA District 2  
Young Gardeners Grant 2026**

This grant provides OHA District 2 Horticultural Societies/Clubs with financial support for their Youth Club/Group or their work with youth in their community/school.

Any Society/Club working with youth and in good standing with OHA District 2 may apply for the grant. The grant may be used for programming, seeds, special events, supplies, etc.

The District 2 Young Gardeners Grant of \$100 is available every year. The grant is provided on a first-come, first-served basis, i.e., the first ten (10) District 2 Horticultural Societies/Clubs working with youth which apply will receive the grant of \$100.

**Young Gardeners Project:** Please give full details on your project. After completion, please send a brief account of the results of the project and how money was used, i.e., number of participants, type of planting, location, etc. A photograph would be appreciated. **Note:** Money is provided at the end of the project completion.
