

Nobleton & King City GARDEN CLUB

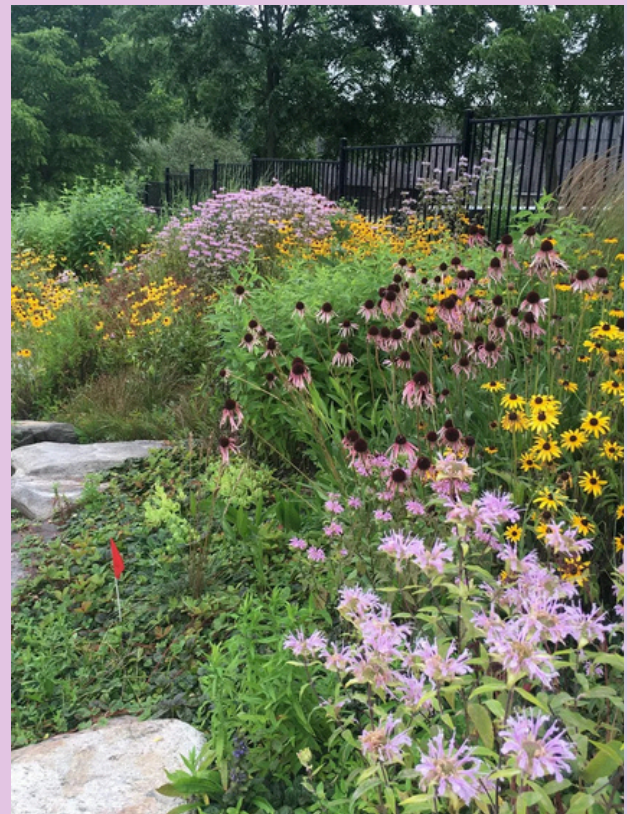

Join us on Monday, May 25th at 7:30 pm!

Shaun Booth presents Natural Garden Design

Shaun introduces the principles of natural garden design—using native plants to create layered, resilient, and ecologically rich spaces that support biodiversity through every season. Learn how to choose plants for their roles in the ecosystem, design for beauty and habitat, and create gardens that connect people and wildlife in meaningful ways.

Shaun Booth is owner of *In Our Nature*, a natural garden design firm and native plant nursery based out of Alton, ON

Join us at Laskay Hall
2920 King Rd, King City

\$ 10 for guests
