Name: TAMARA PLUGERS (PAVERPOL NIAGARA)

Biography:

At a young age I developed a fascination for fabric and the skill of sewing. I would walk through our family fabric store touching the fabrics and imagining the things I could do with them. In 2010 I was introduced to the liquid fabric hardener, Paverpol! I was immediately attracted and became a Certified Paverpol Instructor in Ontario, Canada, always continuing to develop my skills and learn new techniques. Paverpol is a nontoxic, environmentally friendly, weatherproof product used by artists around the world to create lasting sculptures and art out of fabric and other natural fibres. I have various sculptures available at home in Ontario, including, life size Herons, Garden Angels, abstracts, wall decor, and smaller indoor sculptures.
