

Membership

Joining is easy. Follow our **Facebook** page to catch the next meeting info or drop us an **e-mail** and we will get back to you with both date and location details. When open to do so, we hold in-person meetings in Napanee and when restricted we hold the meetings via Zoom. Starting in September 2021 the In-person meetings will also have the Zoom sign in option for those times when coming in person may be difficult.

Membership fees are collected during the first meeting in November and are:
\$12.00 annually for a single or better still
\$15.00 for the family

We collect standard contact details to keep you in the loop on upcoming events and welcome you to participate in any areas of the society that interests you the most.

We start each Zoom meeting or end each In-person meeting with a **Social Hour**, a chance to share tips and planting tricks and meet with old and new friends.

Bring a friend or a family member.... we all have a desire to both learn new things and share what we already knowespecially with fellow gardeners.
Sept 2021

Come Join Us

The Lennox and Addington Horticultural Society brings together garden enthusiasts from all over the County to enhance their members' knowledge of the world of gardening in our area and beyond. The monthly meetings provide us with time to share our collective knowledge and through guest speakers grow that knowledge in a fun, conversational way.

For all the details on upcoming meetings and events drop us an e-mail. and come explore the world of gardening .
