About Us

Open meetings are held at the
St. Marys Legion Hall
66 Church Street North

Our meetings have horticultural related
speakers and/or demonstrations plus
Master Gardeners on hand to answer your
questions.

All meetings include a raffle and
refreshments PLUS a chance to
meet fellow gardeners.

We have five competitions per year,
including floral design, horticultural
exhibits, and canning.

Help us make St. Marys even more
beautiful ... join our Gardening Bees at
local community gardens.

Enjoy our Mystery Car Pool tours
and Bus tours.

Share and buy donated perennials at our
Spring and Fall Auctions.

Come together for our AGM and
Potluck Dinner in December.
