Spring Plant Sale

What is the Plant Sale?

This fundraiser is a great way to dig up and thin out your plants that have outgrown their space or make use of any extra seedlings you may have. It is also a great chance to donate any extra gardening tools, equipment or decorations. Don't have anything to donate? For anyone who has the bakers touch, you can donate a sweet treat for our bake sale! All donations will be priced and displayed on the front lawn of St. Therese Church, rain or shine, for sale to the public.

How can you help?

- **Volunteer!**
Help us set-up, organizing & pricing donations, sales & teardown.
- **Donate!**
Did you start too many seeds? Have plants that need dividing? Have one too many trowels? If so, then please donate them to the plant sale. All donations are welcome!
- **Purchase!**
Come support the Society by buying plants or tools for your garden from the sale before checking out the garden centres!
- **Promote!**
Tell your friends and family to come out and support your Society. Or simply share any of our social media advertising.

Donations:

Please IDENTIFY the species and colour of the plants that you bring to the sale!

We will be organizing a drop off prior to the plant sale so that items can be identified and priced correctly before the sale. Details to come.
