Name: First Candace Last Dressler

Biography:

Please provide a brief description of your qualifications, skills and/or experience

Candace Dressler has been gardening for over 30 years, now she gardens on her half acre property in Ottawa. She started gardening so she could have a supply of fresh herbs. She branched out to vegetables with some flowers and now grows mixed borders with lots of herbs, flowers and some vegetables throughout. More and more she is introducing native plants as they bring the pollinators in, improving everything in her garden. Although she does have a slight Dahlia problem, it's not quite an addiction but... Candace joined her local Horticultural Society in 2005, and achieved the designation Master Gardener in 2019, the same year she joined the Board of Directors of the Ontario Horticultural Association.
