

Grimsby Garden Club & The Town of Grimsby Summer Trillium Recognition Nominations 2021

Thank you for taking action to appreciate a property with a wonderful front garden. Gardeners who make our neighborhoods look beautiful deserve to be recognized. That's why the Grimsby Garden Club and the Town of Grimsby sponsor and run this event. We want to celebrate Grimsby's outstanding gardens.

About the Trillium Recognition Program

The Trillium program is co-sponsored by the Town of Grimsby and The Grimsby Garden Club. The program recognizes beautiful gardens in the Town of Grimsby. Gardens considered include residential, condos, apartment buildings, and non-residential properties.

Nominations are an invitation to Grimsby visitors and residents to show their appreciation for Grimsby gardens. Consider these aspects of the front landscaping viewable from the street: Curb appeal, softscape and hardscape, annuals and perennials, trees and evergreens, property maintenance, and landscape design. Details and a video presentation are available at the Grimsby Garden Club website. Consider registering your own garden – our program welcomes every contribution.

Nominated/registered property owners are notified prior to the assessment of their curbside landscaping. A picture is taken of each property. Names and addresses are published on our website. Addresses are published in our local newspapers.

This year small gardens will be specially recognized: properties with small front yards in the 30 square meter range (about 300 square feet). Contact us for more information!

Nominations are accepted during the month of June and should be submitted to: Grimsby Trilliums 2021, Grimsby Garden Club, P.O. Box 321, Grimsby, ON L3M 4G5, or scan/photograph the completed nomination form and email to grimsbytrillium@gmail.com

If you have any questions, please email grimsbytrillium@gmail.com or call Sue Rigato at 289-700-8346. We're here to help.
