

**Fergus Horticultural Society honours six homeowners with the
Grand Gardens Award in Fergus.**

We are pleased to announce six residents that have been selected as Grand Garden recipients in this year's (2021) Grand Gardens program. The residents selected are Mike & Peggy Agnew, John and Maureen Collins, Bernice Green & Roy Whidden, Carol Reed, Lesley Vesey and Jack & Marsha Wolowich. Congratulations to all for their efforts in making our town a beautiful place to live. There were many, many gardens this year to choose from.

We want to thank everyone that participated in helping make this program a continuing success. From the members of the Grand Gardens Committee: Larry and Doreen Broome, Joan Cumming, Patty Searle-Johnston and Ken Johnston we thank everyone that contributed by nominating gardens.

Each winner receives a complimentary one year membership to our society. Happy gardening.
