Biography:

Please provide a brief description of your qualifications, skills and/or experience

My sister Alex and I own and operate the small- business [Canadian Succulents](#) in Uxbridge, ON. We have been working with [Jeff and Marjorie Mason](#) (from CTV Radio's "Let's Get Growing") at their greenhouse for 5 years, gaining a wealth of experience and knowledge. We have a succulent collection of over 300 species, and grow all the succulent plants that go into our arrangements. We sell our arrangements to retail partners across Ontario, including Sheridan Nurseries. We have a keen eye for design, and have been recognized as one of "[The Best Canadian Florists With The Most Inspiring Designs](#)" by HGTV. We offer all presentations virtually to groups.
