RULES AND REGULATIONS

1. **Theme** – The flower show competition theme is the same as the Convention theme “**Rock Your Garden World**” and linked to some of the other competitions as a class title.
2. **Eligibility** – The competition is open to members in good standing of a Society/Club (hereafter Society) In Good Standing with the Ontario Horticultural Association (OHA).
3. **Entry – General**
 - a. Design and Special Exhibit entries must be **pre-registered with the registrar by June 1, 2023**.
 - b. Entries can be placed at the Convention on Thursday from 5:00 p.m. to 9:00 p.m. and on Friday from 7:00 a.m. to 9:00 a.m. and are to remain in place until the show closes on Saturday.
 - c. No late entries will be accepted; no exceptions.
 - d. Exhibitors may enter all Divisions. All entries must have a generic entry tag (sample appended below), giving necessary information including class name and number, exhibitor’s name, society, and district. Tags will be supplied at the convention by the OHA.
To make entry easier, a return address label may be used in the name space. To ensure return of design/special exhibit containers, should they be forgotten, please put your name and phone number on the bottom of the container.
 - e. Reasonable security will be provided for exhibitor’s property; however, neither the OHA nor Brookstreet Hotel assume any responsibility for loss or damage.
 - f. Exhibitors are to place their entries on the show table. The Show Committee reserves the right to move horticulture entries to accommodate exhibitors or to subdivide in any class.
For this show, exhibitors may have someone else bring their completed entries and have them place the entries on the show table as instructed by the Show Committee.
 - g. Exhibitors are encouraged to use reusable mechanics for design entries as floral foam is not biodegradable.

- h. Noxious weeds (http://omafra.gov.on.ca/english/crops/facts/noxious_weeds.htm), invasive plants (<https://www.ontarioinvasiveplants.ca/invasive-plants/species/>), scarce, protected, or endangered native plants (ontario.ca/page/species-risk) will be disqualified. The final decision will be at the discretion of the Show Committee.
- i. Judging is in accordance with the *Ontario Judging and Exhibiting Standards (OJES) for Floral Design and Horticulture (2019)*. Please use this reference for information and definitions. Copies may be purchased from the OHA (www.gardenontario.org/shop/omdex/php).
