

Celebrating 48 years Chinguacousy Garden Club & Horticultural Society (Founded Sept 16, 1974) is a friendly informal club and you are welcome to visit a meeting before deciding if you would like to join.

We have speakers or demonstrations on various topics in addition to a monthly raffle table, plant sale table, refreshment & social time. Our annual events include a Flower Show in September, plus Plant Sale in May which is open to the public. We also have outings to places of horticultural interest and public service projects within the community.

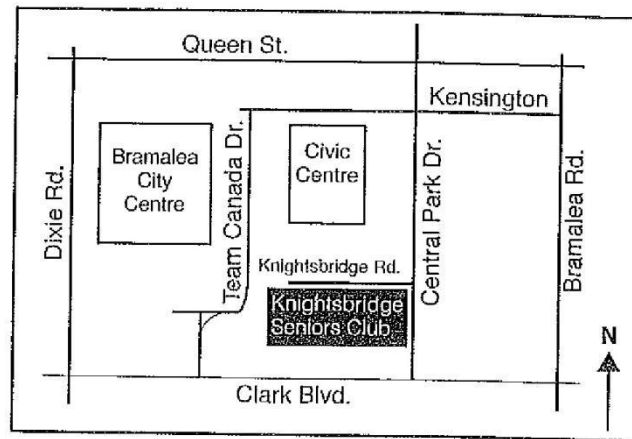

Members of the club receive an informative newsletter. Our membership year is from September to August.

Whether you are an experienced gardener, or just starting to plan your first garden, you will find a warm welcome at the Chinguacousy Garden Club.
