

Purple Flower Contest

The Thunder Bay Horticultural Society challenged its members and citizens of Thunder Bay and surrounding areas to “Show Your Garden Pride” to commemorate our 100th Anniversary by submitting a photo of a Purple flower.

Community members were asked to submit a photo which contained a minimum of one **PURPLE** flower in a garden or a container that they have maintained.

I would like to first congratulate everyone on their photo submissions for the **PURPLE Flower Contest** and note that all participants are considered winners for their participation and submissions of beautiful flowers in the contest.

Voting took place on September 21st, 2023 at our General Meeting.

The following top 3 placements for the contest are listed below and will receive an award along with a complimentary Thunder Bay Horticultural Society membership for the 2024 year.
