MEMBERSHIP DUES

Membership Dues for 2024 are now due. Single memberships are \$10 and family (living in the same household) memberships are \$15. **Pay at a monthly meeting, at Port Dover Jewellery & Gifts, mail your cheque to PD & WHS, P. O. Box 21, Port Dover, Ontario NOA 1N0.**

NOTE: Please provide a telephone number and email address, if available, that we may use for corresponding with you.

Royal Botanical Gardens Membership

Members are encouraged to use our two Royal Botanical Gardens membership cards for a day's visit. Details are available from members of the board of Directors. Parking is included. These will be available to PD&WHS members on a first-come, first-served basis. The passes can be used for admission to the RBG as well as other botanical gardens and arboreta which have reciprocal free admission throughout North America. In consideration of other PD&WHS members who wish to use them, please be sure to return passes promptly.

Port Dover & Woodhouse Horticultural Society

Guests are always welcome at our monthly meetings, which usually include a short business meeting, an informative guest speaker, and door prizes.

Do join the Society, however, and encourage others to do so. Members only are allowed to enter competitions, receive horticultural discounts at local garden centres, and access our online quarterly newsletter, "The Dogwood." Our membership with The Royal Botanical Gardens makes passes available to our members on a first-come, first served basis. Maintaining a membership of over 200 people qualifies us for a \$1,500.00 government grant.

Benefits of membership include the opportunity to assist in the planting and maintenance of many Port Dover public gardens, the Native Healing Garden, and raised beds of vegetables destined for the Port Dover Lifeline Food Bank.

Door prizes, no matter how loosely associated with gardening, are always welcome. Donations of plants are encouraged for our two annual plant sales. Donations of any kind except clothing are most welcome for our major fundraiser, a Live Auction held on Thursday, April 18th at 7 p.m..

May's Spring Flower Show, June's Bus Trip, July's potluck picnic, the August Summer Flower Show and September's awards presentations help round out the horticultural year. Please contact any Board member for more information.

Native Healing Garden

We are fortunate to have a Norfolk-based garden where the community can grow and learn about native healing plants. Many thanks to the Port Dover Lions Club who generously offered us a plot of land in Silver Lake Park, providing a tranquil setting for our garden. We hope to nurture relations with our indigenous community and so chose Turtle Island as our garden's design to showcase native healing plants. We have created the innermost oval of our turtle's shell and as new rims are added, we are hoping to outline the features of the turtle's shell and to provide walkways across and through the shell for close-up viewing of the plant material. Volunteers are welcome to assist in planting, tending and learning about native healing plants.

Flower Show Rules, Tips and Prizes

These apply to all PD & WHS competitions and flower shows, including the October Joint meeting.

Definitions:

See OJES (Ontario Judging and Exhibiting Standards Book) available at monthly meetings.

Flower Show Rules:

- All exhibitors must be paid-up members of the Society; memberships may be purchased at the door.
- Design classes: material can be from any source and need not be grown by the exhibitor. Accessories may be used as specified in OJES.
- All SPECIMENS must have been grown by the exhibitor.
- Buds showing colour will count as a bloom.
- "Specimens with own foliage": ONLY own foliage permitted unless otherwise specified.
- Exhibitors supply own containers.
- If more than one entry is allowed in a class, they must be different cultivars.
- Potted plants must have been container grown and in the exhibitor's possession for at least 3 months.
- Judging will be in accordance with Ontario Judging & Exhibiting Standards Book, (OJES 2019)
- **Judge's decision is final.**

Photography Competition Rules:

Ontario Horticultural Association

The Ontario Horticultural Association (OHA) consists of three levels. Level #1 consists of 19 Districts within the Province of Ontario. An Annual Meeting is held during the summer at which business of the Districts is handled and officers for the coming year are installed. This is held in various locations throughout the province.

The PD&WHS is a part of District 6, a Carolinian District, and a member of the Ontario Horticulture Association. District 6 consists of 21 societies, among which an Annual General Meeting is held annually. Business is conducted for District 6, and officers installed. The Port Dover and Woodhouse Horticultural Society Annual General Meeting takes place in January.

Society members are encouraged to attend any Society AGM or other meeting, and to become more familiar with the workings of the Ontario Horticultural Association. Information on the three District 6 meetings in 2024 and the Annual OHA Convention in Guelph are included in the 2024 Schedule of events (page 6.) Carpooling can be arranged for these or other events, which enhance our knowledge of the overall organization.

Our District Director is Lianne Krane. Our Assistant District Director is Bob Heil. President of the Port Dover and Woodhouse Horticultural Society for 2024 is Jenny Blunt.
