Use of Waiver and Release Forms

A waiver and release form is a risk management tool that can be used to reduce the likelihood of a claim or lawsuit being brought against your club/district. It can also enhance communication and understanding between all participating parties.

A waiver and release form relinquishes claims one party may have against another. Consider requiring participants to sign waiver forms for events where your club/district can identify the persons participating in the activity prior to the event (such as a 5K race, a baseball league, youth programs, etc.).

Remember, a waiver and release form is not a substitute for careful supervision of your club/district’s activities.

The waiver and release form should detail the risks associated with the activity. For example, a waiver and release for a 5K race should include (but is not limited to) the inherent dangers of changing weather conditions, natural obstacles such as trees and rocks, and the possibility of severe injury resulting from a fall.

The waiver and release form will not always protect your club/district from claims, but it will likely be held as valid when worded properly. Consult an attorney to draft these forms. Please see sample language for Adult and Minor participants.
