KEEPING ONTARIO BEAUTIFUL<sup>®</sup>

Equinox Environmental is proud to announce their partnership with **Ontario Horticultural Association (OHA)** as an Official Supplier of planters and waste management containers.

Our mission is to provide environmental sustainability and beautification from Coast to Coast. The **Ontario Horticultural Association** is committed to developing and supporting programs for all ages and skill levels that encourage gardening, community beautification, environmental stewardship, and conservation.

Our partnership is designed to accomplish our mutual goals. Equinox Environmental is offering all affiliated societies/clubs discounts on all purchases along with support to the **OHA**.
