The Ontario Horticultural Association (OHA) encourages its member societies to create or contribute to community gardens whether urban or rural. OHA will award a grant of $500 each to three (3) societies to assist the funding of a new community garden or the upgrading of an existing community garden.

CRITERIA

For the purposes of this grant, a community garden is defined as a plot of land, either publicly or privately owned, that is used primarily to grow food for gardeners and/or the surrounding community. Either the whole space is communal or each member maintains a plot. Members may or may not pay a fee, but the garden must have a communal aspect such as shared maintenance, donations of produce to a local charity or social activities.

A society in good standing applying for this grant should play a specific role in the creation or maintenance of the community garden involved, either acting as the lead organization or as a member of a collaborative of partnering organizations. The garden should be accessible to the wider community, involve broad community participation and focus primarily on local food production.

Eligible expenses include tools, materials and equipment that are directly used in the completion of the project (raised beds, accessible planters, etc.) and site development costs and services as well as facilities and structures that support the gardening activities of the members.

Ineligible expenses include operating or administration expenses such as salaries, travel costs, computer equipment, marketing materials, refreshments, garden accessories, signage, seeds, transplants, trees and flower-only projects.

Start-up or existing community gardens should be non-profit, have the written permission of the landowner to use the site, a demonstrated garden plan (see accompanying Garden Grant description for more info), certificate of liability insurance and a garden budget. Be sure to identify the role your society will play in the garden and include a list other community organizations involved.

To apply, interested societies should complete the application form and send it to your District Director who must submit the signed form to the OHA Awards Coordinator by February 28th.

If your community garden project is awarded a grant, payment will follow a completed report, which must include photos of the completed project and itemized receipts. NO funds will be released without receipts.

REPORTING REQUIREMENTS

Successful Community Garden Grant applicants will be required to submit a completed report form along with itemized original receipts and photos of the completed project to the Awards Coordinator for reimbursement before December 31st of the next year. For example, a grant awarded in 2018 must have its completed report with receipts and photos submitted by December 31st of 2019. Otherwise the OHA will assume that the Community Garden Grant has not been completed and the grant monies will be cancelled. NO funds will be released without itemized receipts.

NOTE: Recipients of this award may only receive this award once.
**APPLICATION FORM - PLEASE PRINT**

**PART A** – To be completed by the Society

Name of Society:  
Address:  
President:  Phone:  
Description of Proposed Project:
